

TO MAKE A CHILD OBEDIENT

As soon as a child begins to disobey recite surah Shu-ara (chapter 26) 7 times or recite surah Ahzab (chapter 33) once, and every time blow breath towards the child. *Inshallah*, the child shall start to obey and follow the elders.

If a child, while growing up, shows signs of disobeying the elders, recite the following portion of verse 15 of Ahqaf 7 times after every *wajib salat*, keeping in mind the aggressive child.
