

## Asking For Forgiveness - On Shabe Qadr

There is something we can be really sure of, tonight;  
That Allah, though forgiving; with all his Might,  
has said He won't forgive us if we've wronged someone,  
and, ask forgiveness from him/her, we've not yet done.

So we ask for forgiveness from each and every one of you,  
So that My Lord may consider forgiving us too.  
Remember, the quality of Ghaffaar is His  
but He is so very pleased when we emulate this!

And when we forgive others, the chance becomes greater  
That we, in turn, have our sins forgiven, and be better.  
For only with a clean slate can we move ahead,  
And hope to achieve all for which we have prayed.
