

Lo aagayi hai phir se, taqdeer ki ye raat
Aayen hain paas unke, jo hai Adheem Zaat

Ek saal zindagi kaa, yaqeen hai, guzar gayaa
Phir se hai pesh karnaa, aamaal sab meraa

Kyaa khush karungi unko, jo hai mere Maulaa ?
Yaa khun rulaaungi, mere aamaal jo dekhaa ?

Ummeed to hai is raat me, bohot kuchh mile zuroor
Meraa ye Rab jo hai Raheem aur hai wohi Ghafoor

Unko ye hai pataa ke mai hun to pashemaan;
Meri khataaen kitni hai mujhe nahin ye dhyaan.

Ye jaantaa wohi hai par waadaa bhi hai diyaa;
Aawo tum tawbaa karke, meraa dar to hai khulaa.

Is raat ko mai baith ke sab yaad karun to
Kisko dukhaayaa maine; kyaa gham diyaa kisko.

Maine jo liyaa hogaa kisi insaan kaa bhi haq;
Uski hi maafi maangni hogi mujhe jab tak

Aur mai bhi maaf sab ko karun, jo mujhe huwaa
Phir mai ye aas rakh saku ke Rabb maaf karegaa

Is raat ko to josh me hai Rehmata Khudaa
Taqdeer meri, Yaa Rabb, purnoor tu banaa

Teri ridhaa pe sarf ho puri meri hayaat
Hatu nahi is raah se kuchh bhi hojaaye baat

Jo imtehaan ke laayaq samajhta ho tu mujhe,
To sab teri taraf se manzoor hai mujhe

Tujhse hi maangti hu naa - shukri se panaah;
Tere hi paas aawungi jo sabr meraa chhuta.

Bas chhahti hu ye ke ho intezaar kaa haq adaa
Aaye jab teri Hujjat to hun tayyaar mai sadaa

Unke hi naasiron me ho meraa bhi naam likhaa
Aur mere saath sab mere awlaado agrubaa

Is Akbari Jihaad me de tu mujhe fataah
Yaa Rabb, mai sab ke waaste maangti hun ye du'aa.
